

WELCOME BACK! WE'RE GEARING UP FOR AN EXCITING SCHOOL YEAR!

Here's a taste of what's on the menu:

- CleverTheme Days: By now, you've likely picked your theme days from our catalogue; if not, please speak to your area's Operations Manager to finalise your choices. Expect everything from world flavours to seasonal celebrations, turning lunchtimes into learning times.
- New Cleverfood Hub Resource Packs – Launching this term:
 - September: Water Sources
 - October: Squash it! (Pumpkin, Butternut, Courgette)
 - November: Eating Passport – Food Around the World
- Cleverfood Magazine – Bursting with ideas, stories, and inspiration.
- Exciting New Menus – More vegetables, more pulses, and more familiar dishes – all nutritionally balanced for happy, healthy pupils.

We can't wait to share it all with you and your school community.
Here's to a year of flavour, fun, and fantastic learning.

Best wishes,
The Cleverchefs Team
